Hello there.

Am about to make the Payment from the PayPal, You would received the Transfer confirmation mail from the PayPal once I have made the transfer to you.

The payment will soon be made from the PayPal and you just have to be waiting for the transfer confirmation mail so that you can be sure that the transfer has been made to you, ensure you check everything to know how the process goes.

Let the Item be shipped out immediately the transfer been made.

Thanks.
Madam Anna
