Hello there.

I am happy to tell you that the Transfer has successfully been made, Hope the paypal has contact you with the Transfer confirmation mail, kindly check your Inbox/Spam messages very well, You should have received the transfer confirmation mail from the paypal by now, check everything to know how the process goes.

Note: Act fast to go and make the Post shipment of the Item without any delay, and you simply provide the proof of the Post shipment details to the paypal customer care as to confirm and verify it, the paypal requesting for the Post shipment confirmation as to enable them to quickly make the payment remittance.

Hoping to hear from you quickly.

Thanks.
Madam Anna
